B. All water service shall be metered by a meter(s) to be furnished and installed by the District. The meter connection is for the sole use by the Applicant and, unless designated as a "Master Meter", is to provide water service for only one (1) dwelling or business.
C. The Applicant shall be bound by the District's Rules and Regulations, which is not limited to but includes the following policies: Water Conservation Plan, Drought Contingency Plan, and Cross-Connection Control Program. Copies of these policies are available on the District's website.
D. The Applicant shall pay all service charges and fees in a timely manner, in accordance with the District's Rules and Regulations. Failure to make timely payment will result in the disconnection of water service. Water bills are due upon receipt. Late fees apply after the 15th of each month.
E. By signing this "Service Application and Agreement", the Applicant agrees that non-compliance with the terms of this Agreement or with the District's Rules and Regulations shall constitute denial or disconnection of water service until such time as the violation is corrected to the satisfaction of the District.
